Platinum Dental Care strives to provide the patient-focused care you're looking for a Dentist in Canary Wharf, East London.

Started in 2012, Platinum Dental Care puts primary importance on providing a high standard of dentistry throughout its range of Dental Treatments which include Cosmetic Dentistry, Orthodontics, and General Dentistry as well as Facial Aesthetic Services.

Whether you're seeing us for Dental Implants, Teeth Whitening, or Dental Hygiene, we endeavour to treat you with respect and send you off with a beautiful smile. When our Principal Dentist, Dr. Misbah Junaid, started Platinum Dental Care, he did so with the mission of creating an atmosphere where patients feel at ease about talking about their dental concerns. When you come to our Dental Practice, our friendly dental and medical professionals listen to your concerns so that we can give you the results you expect. At Platinum Dental Care, our ethos revolves around putting you, your health, and your comfort first so you can walk away feeling happy and satisfied.

Platinum Dental Care is a recently refurbished, state of the art private dental practice located in a beautiful converted warehouse in the busy heart of London's Docklands. Close to some of the area's most thriving businesses and desirable accommodation, the practice offers patients a break from the hustle and bustle outside as they sit back and relax in our modern, welcoming clinic.

Our skilled dentists, have extensive experience of giving patients happy, healthy and confident smiles. Platinum Dental Care provides a comprehensive range of general dentistry, cosmetic dentistry and facial aesthetics services, all of which will help you look and feel amazing. We offer some early morning and evening appointments to fit around your busy life.
