Fred A. Cook, Jr. Inc.’s business strategy is to provide timely, error-free, cost effective quality service to our clients. Our staff will work with our clients to develop operating standards to ensure client satisfaction. We constantly evaluate our standards and best practices to ensure client satisfaction and company growth.

We provide an array of integrated services so that clients have a single source provider.

We use state of the art Vactors, TV inspection trucks and Vacuum Tankers and Trailers that are equipped with the latest technology to handle our customers environmental needs.

It is our belief that client relationships are built over time. Our septic tank services are second to none in NY!
