Created by Rachel Jackson in July 2018, Superior Smiles is your new private dentist in Knutsford, Cheshire.

With state-of-the-art facilities, Superior Smiles is an ideal dental practice for patients looking for treatments like Invisalign teeth straightening, dental implants, smile makeovers and emergency dental care. The patient-focused team at Superior Smiles is well experienced and friendly to help with the treatments right for you.

Superior Smiles offer a complimentary consultation and face-to-face discussions to create a bespoke treatment plan, just for you. With a complex skill set in treatment coordination, Dr Rachel focuses more on training her team to prioritise individual patient needs through ethical solutions.
