Giancarlo Angelini is a successful, creative, passionate and tireless hairstylist who creates works of art every day with his clients' hair and beards.

Since 1993 Angelini Hair Beauty Salon has become and continues to be the style icon of the most chic and demanding men and women of Genova Nervi.

The philosophy based on maximum customer satisfaction is contained in the salon's motto "You create the power of your style. We simply put it into action".

Angelini Hair Beauty Salon's hairstylists are able to interpret the tastes of customers and create the look of their desires with exceptional professionalism and competence.

The beauty salon specializes in streaks and shades of color to make hair shine and illuminate faces.
