The Newmarket Road Dental Clinic is an award-winning, contemporary private dental practice in Norwich, one of the most prestigious locations.

We deliver caring service within our state-of-the-art facilities. Our team of dental professionals ensures our patients receive a unique dental experience whenever they visit our clinic.

Our dedicated private dentist in Norwich and other professionals like hygienist, prosthodontist, orthodontist offers a high standard of dental care inside a relaxed and soothing environment. Quality dental care and attention to each patient are the hallmarks of our philosophy.

We offer a wide range of cosmetic dental treatments, including invisible braces such as Invisalign®, ClearSmile, dental implants or teeth whitening in Norwich clinic. Our team of cosmetic dentists can also tailor a smile makeover plan to suit your needs.

Our practice has plenty of amenities to make your visit with us a pleasant one. Whether it’s our private parking space for cars and bicycles, ground floor disabled access and facilities, relaxing patient chairs, complimentary refreshments and ergonomically designed massaging dental chairs. We are fully equipped with all the amenities to deliver a comfortable experience for all our visitors.

Please call us to book a consultation for quality and gentle dental experience at our Dental Clinic in Norwich.
