Wally’s Master Blaster are the experts in high pressure cleaning and concrete sealing. For over 34 years we have been delivering reliable, professional and affordable high pressure cleaning in the Gold Coast, serving an area from Beenleigh in the North to Tweeds in the South.

As the Gold Coast’s oldest high-pressure water cleaning business, we are experts at deep cleaning your property’s exterior. With us, you benefit from decades of experience and knowledge, unmatched by others. If you want your pressure cleaning done right the first time, call the professionals. We will save you time and money.
