In the rue des Riches Claires 12, in the heart of Brussels, the boutique ARKEL PIERCING is situated. The boutique welcomes you in a friendly, spacious en light environment. Our professional reputation is the fruit of experience and the fine work of our staff who will receive and advice you, as well as: Exposed in our show case the biggest choice of jewelry specific to all parts of the body (more than 2000 references); implants and fantasies, in divers materials tested for their quality such as: Titanium, surgical steel, Niobium, yellow or Grey gold 18 K, Bioplast, Pmma, Teflon, UV acrylic, Silicone, wood, buffalo horn and bone, natural stones, resins, blown glass, Plexiglas, etc. From the most discrete to the most eye-catching, for each taste something. Professional and skilled piercers certified in "formation to the hygienic procedures related to piercing" of the SPF of Public Health Care Services. A guaranteed hygiene on the use of materials (sterile and unique use) and on the quality of the proposed jewelry. A new service of tattoo removal with the newest generation of Q-switch lasers. For those who don’t yet know us, don’t hesitate to discover our temple of body adornment. Our team is always present and available to inform, explain and guide you with all your requests, and this, always with a smile. ARKEL, is also the place where you can acquire accessories related to fantastic films, such as: collectible figures in resins, T-shirts, and other "cult" products (Nightmare before Christmas and other Tim Burton products, True Blood, etc....) to the Goth-culture, Steampunk, and Rock & Roll (Alchemy Jewelery, Avalon’s Faerie, Living Dead Dolls, Emily The Strange, Roman Dirge, Ruby Gloom, etc....) and also limited and numbered works of different artists such as Loisel, Giger, Clive Barker, etc.
