Guesthouse Husky is a small family-run company which is located about 5 km outside the Ivalo village and about 15 km from Ivalo airport. The guesthouse was opened in 2011 and it is located in the same courtyard where our family (father, mother and three sons) is living. Just beside the guesthouse lies also our Alaskan husky farm with about 140 sled dogs. Guesthouse Husky offers you cozy accommodation, Finnish-Lappish homemade food and personal service in an unique environment. If you are looking for a special holiday far away from the everyday hustle, you have found the right place. You are warmly welcome!
