"EVERYTHING HAS ITS TIME ... ... and the timepieces from MAURICE DE MAURIAC – ZURICH gives expression to yours. Their quality and beauty are expressions of your own unique personality. Precision, innovative craftsmanship, the special character of choosing materials in the pursuit of your own aesthetic vision, as well as the interplay of color and light make every chronometer one of kind. And just like every person's skin seeks its own specific perfume or scent, every client will find a watch that is a timely and unmistakable expression of themselves."
