The Dolder Grand is the perfect environment for people who are looking for pleasure, exclusivity and relaxation: 176 luxurious rooms and suites, exquisite cuisine, a spa covering some 4,000 square meters, spacious banqueting and seminar facilities, as well as a valuable art collection. The original "Curhaus" 1899 presents itself as a City Resort in the luxury class. The elevated position of the hotel, between pulsating city life and verdant nature allows a wonderful view of the city of Zurich, the lake and the Alps.
