Translation agency "FPM" (Freelance Project Management) offers services of professional and qualified translators and editors. Our professional translators and copywriters are ready to provide you with highest-quality translations from more than 50 languages. We work with specialists in various spheres (IT, politics, law, medicine, entertainment, etc.) What do we offer? - translation from/to more than 50 languages; - translation of various materials, texts and documents; - translations of documents in various spheres (politics, medicine, law, entertainment, etc.); - prices that are lower than in most translation agencies. Our favorable translation prices are not as high as it could be expected: we use services of freelancers and that means we save on work places rent and other extra charges. Our price list will be mailed out on your first request. We can also provide you with our translation samples in the requested field. Contact us if you are interested in professional and accurate translations. We are flexible to our clients' needs!
