Cricketts is a well established, independent and highly regarded estate agency, based in Newbury, selling a wide range of residential properties 7 days a week. We have built up a solid reputation based on honest and knowledgeable advice. We have a friendly and professional team who have extensive experience locally- never forgetting that the client's interest is paramount. One of the major factors of our success is that we are professional, proactive, highly motivated and very positive approach to all aspects of residential house sales in West Berkshire.
