The team of the hotel "Zur Alten Oder" warmly welcomes you to Frankfurt an der Oder. The Oder River is the natural border with Poland and the neighboring Polish city of Slubice. With individually designed rooms, an attentive service and the best comfort we gladly pamper our guests in the hotel in Frankfurt (Oder). The convenient location of our cozy hotel with restaurant near the city center with marketplace and town hall make our guests feel very comfortable. The Oder-Neiße cycle path passes directly by the Hotel Frankfurt (Oder) . The island "Ziegenwerder" - directly accessible from the hotel - is a popular excursion destination with natural walking paths. In a comprehensive redesign in our hotel and restaurant in Frankfurt (Oder) in 2016/2017, we have also implemented the wishes and suggestions of our guests. The result is a personally designed hotel & restaurant in the center of Frankfurt (Oder) in close proximity to the train station, the city center, the European University Viadrina and the island "Ziegenwerder". We attach great importance to the well-being of our guests with a harmonious ambience that gives you a feeling of home. Every morning we pamper our guests with a rich and varied breakfast. In the evening, enjoy the culinary specialties of the chef Stefan Glowania in the hotel restaurant "Kontor" in Frankfurt / Oder.
