My Car Glass is a family owned business and as such it offers a fast reliable service. We have been established for over 25 years and have been working very hard to keep to our set high standards. With our expertise we can supply and fit windscreens for you with a minimum amount of fuss at a price you can afford. Shattered windscreens, broken side windows, cracked rear windows - these problems occur every day on our roads. My Car Glass will guarantee any glass work it has supplied and fitted against leaks, stress cracks, etc. If you are insured under fully comprehensive then there is simply nothing to pay (subject to excess). We have direct billing facilitates with 35 major insurance companies.
