Company logo

Norweld are experts in designing and manufacturing heavy-duty aluminium ute trays and ute canopies for some of Australia’s harshest conditions, including a range of accessories to suit your vehicle. Norweld has two main divisions including our Aluminium Ute Tray and Aluminium Ute Canopy Division, and our Project Fabrication Division. Since our establishment in 1971 we have been providing a consistent superior-level of service and quality workmanship to our clients throughout Australia and internationally. All of our products are backed by the well-known Norweld pledge of ‘Unconditional Guarantee For Life Against Faulty Workmanship’. Norweld has four business locations from which we operate from located in Cairns, Brisbane and Sydney.
