Summit Corporate Training Limited

Summit House, 10 Chatsworth Avenue
London, NW4 1HT
United Kingdom
020 8202 9876
summit-training.co.uk

Summit Corporate Training believes passionately that professional sales people are indispensable to any business-to-business organisation; yet a substantial proportion of sales people are inadequately skilled. We offer a broad range of bespoke training courses and programmes for sales staff at all levels, from those new to the role through to the most senior individuals.
