Hi, I’m Taylor Grant – owner and operator of Grant Roofing & Pressure Washing. I have over 20 years of experience in this industry, which is why I believe in quality over quantity and strive to exceed my customers’ expectations. I grew up in a small town in the Pacific Northwest playing basketball and golf regularly. I graduated high school in Lake Stevens and graduated from CWU with a Bachelors in Science in Actuarial Mathematics. I have an amazing wife who is a 1st-grade teacher in Battle Ground, a very playful year and a half old son who loves to shoot hoops, swing his golf club, read and eat! When I was younger and still in high school, I was able to borrow a pressure washer and knock on my neighbor’s door to earn some extra money. 20 years later I’m now doing this, as well as roofing repair and maintenance, for a full-time job – and I couldn’t be happier! If you want personal service and quality results, contact us today for all your roofing and pressure washing needs! We’re available 24/7 and respond quickly to any emergency.
