Accurate Janitorial Services is a locally owned and operated company providing janitorial services in Denver and the surrounding area. Our goal is to offer the best quality service with a personal touch. We offer interior janitorial services, as well as exterior building restoration services and construction clean-up. We are your one stop shop for all your building maintenance needs. Whatever you need, we’re here to take care of it. We have been in the cleaning industry for over 33 years, serving the Denver and Front Range areas since 1985. We are known for our personal service, which is why we maintain a 98% retention rate. Customer satisfaction is our #1 goal! Our company is fully licensed, bonded and insured, including lost key protection insurance to reduce client liability. We make sure each employee undergoes extensive background checks and training courses prior to hiring them as cleaning professionals. All our crews come equipped with all the tools and supplies your facility requires. Our management guarantees on-site supervision and control. We have a strict quality assurance program that provides the framework for periodic inspections at each facility, giving you the peace of mind you deserve.
