Tiger Electrical Solutions is a family owned and operated electrical contracting business. We provide domestic and commercial electrical maintenance, repairs and installation services to customers based in South West Sydney. We are the residential specialists, there is no job is too big or too small. We are confident that we have the expertise and experience to suit any of your electrical needs. 24/7 Emergency Service: In addition to our standard services we also provide a reliable 24 hour emergency service. Our fully licenced on call electricians are available after hours and on weekends to assist with any emergency electrical requirement you may have.
