New Roof Plus is a local Highlands Ranch roofing company. We serve all of Douglas CO, plus the entire front range including Highlands Ranch, Littleton, Centennial, Parker, Castle Rock, and the entire Denver metro area. Managing Partner Greg Jones grew up here in The Ranch attending HRHS and raised his family right here as well. Read the good reviews about us. Our Highlands Ranch roofing reviews are strong. Our motto is "Building New Roofs and Relationships" and our reviews show it.
