With over 14 years industry experience, Lachy and the team at Gray Homes are experts in all types of building and construction, including new homes, renovations, extensions and more. When you engage Gray Homes on your building project, Managing Director Lachy will be on the tools for the entire project, ensuring that every aspect of your job is completed to his exceptionally high standards. This also allows Lachy to immediately deal with any unforeseen building delays and keep your project on track for the agreed completion date.
