South West Upholstery is one of Bristol's most recognised businesses for quality upholstery services across Bristol and the surrounding areas. We offer a wide range of upholstery services for every application from household arm chair reupholstery to pub, club or restaurant refurbishments. With an established reputation for customer satisfaction, professional service and a team of experienced craftsmen and craftswomen, South West Upholstery is a business you can trust, with a vast pool of knowledge. We are very open and honest in our approach to any job - we spend time understanding your requirements with a no pressure approach. We want your finished product to be exactly how you had visualised it. We are very proud of our company, staff and workshops, so much so we encourage our customers to come in and see our team at work, see how we work and view our quality for yourselves. A warm welcome awaits you - The South West Upholstery team.
