First Idea Family Day Care is committed to delivering the highest standards of child care to the residents of the Eumemmerring community. We offer a warmer, stimulating environment where your child can get the best possible care and education from the most experienced educators. Our supportive staff works with the children at every stage of their development with a great emphasis on their individual preferences, requirements and needs. Our family day care centre is continuously monitored by CCTV system, ensuring that your child is safe and protected at all times. As a part of our child day care facility, we also manage kids early learning centre where your child will be prepared for big school. Whatever your requirements are, we ensure that every day is extremely adventurous and full of prospects for your child to develop and grow.
