Are you found the best lawyer services in Sydney? Carneys Lawyers provide efficiency and importantly within an agreed cost range. Just visit now!

Carneys Lawyers is a commercial law firm located in the Sydney CBD. For over 50 years Carney's experienced team of Partners and Lawyers, many of whom are accredited specialists in their field of practice, have provided commercial and innovative legal advice. Our unique approach begins with a commitment to understanding our clients and their business objectives. We work with our clients, providing tailored, personalised and ongoing legal advice.

Whether you are an individual, a small private company or a large corporation, Carneys provides cost-effective legal solutions and services that you need, with the attention you deserve.

The Law Society of NSW operates the Specialist Accreditation Scheme to help the general public identify solicitors who have demonstrated proficiency in a particular area of law.
