Dr. Navid Rahmani is an internationally recognized, Board Certified Periodontist and best rated dental implant specialist. All procedures are performed on Upper East Side in our Midtown NYC dental implants center.

Free Consultation by Dr. Navid Rahmani at NYC Dental Implants Center.
The dental office uses only the newest and most advanced dental equipment available on the market in USA. Dental implants are from Straumann, headquartered in Basel, Switzerland. It`s the largest and most advanced dental implant company in the world. Choose the top quality medical grade titanium or titanium alloy, the same materials used for other bone implants and for orthopedic joint replacements.
