We believe a beautiful smile can help you become your most confident self…but why are we the best dentist in NYC?

Dr. Alex Shalman is a 5th generation dentist whose family has been practicing exceptional oral care for over 100 years. We offer the best in cosmetic dentistry, general dentistry, Invisalign, dental implants, emergency dentistry and preventative care in our cozy office.

We pride ourselves on working with best-in-class laboratories in NYC to create beautiful restorations and smile makeovers, featuring veneers, crowns, bridges, and other restorative procedures.

Join us for a dental consultation with NYC’s best cosmetic dentists! Whether you are looking for a smile makeover or a check-up and cleaning, you will love your experience with our team.
