We believe a beautiful smile can help you become your most confident self...but why are we the best dentist in NYC?

Dr. Alex Shalman is a 5th generation [dentist](#) whose family has been practicing exceptional oral care for over 100 years. We offer the best in cosmetic dentistry, general dentistry, Invisalign, dental implants, [emergency dentistry](#) and preventative care in our cozy office.

We pride ourselves on working with best-in-class laboratories in NYC to create beautiful restorations and smile makeovers, featuring [veneers](#), [crowns](#), bridges, and other restorative procedures.

Join us for a dental consultation with NYC's best cosmetic dentists! Whether you are looking for a smile makeover or a check-up and cleaning, you will love your experience with our team.
