Exceptional UK Car Exporter

Specialists in car sourcing and exporting cars VAT free.

Sourcing from the UK, Japan, South Africa and Australia

Safe Payment. Professionally shipped, cleared and delivered to 25 countries.

Exceptional sourcing and export service.

Our buying specialists personally handpick every car for you and supply them at the most competitive prices. To find your perfect car at the best price we source from Japan, the UK, Australia and South Africa.

We personally manage the end to end process from purchase, export and delivery to ensure it is imported with the greatest care. Buy with confidence. Our one clear price policy includes all costs to import your car so you have no surprises later.

VAT free sales specialist

We strive to source VAT qualifying cars for export so you can save 20% on your purchase price. We will pay for your VAT and reclaim it so your purchase couldn’t be simpler.

Personal Export Scheme operator

We operate the Personal Export Scheme (PES) to enable you to benefit from the VAT reclaim and enjoy your car within the EU for up to 12 months.

Unique Car Finance Partnerships

We are very proud to be the only company partnered with NCBA Bank Kenya, Stanbic Bank Kenya and I&M Bank Kenya to supply cars from the UK and Japan for their asset finance loans.

Kenyan clients can spread their costs with asset finance via our unique partnerships with NCBA Bank Kenya, Stanbic Bank Kenya and I&M Bank Kenya.

Exceptional Quality Cars

We will only source exceptional quality cars. We always advise against a purchase than allow a car below our standards to be bought.

All cars have independent background checks to ensure they are free from unwanted history.

International Agents

Our offices are in the UK and Nairobi and we have agents in Japan, New Zealand, Australia, Fiji, Zimbabwe, Zambia, Uganda, Mauritius, Jamaica and Trinidad & Tobago. These agents provide flexible local car import services which will deliver your car to your door.

Proven Reputation

We have excellent reviews on Trustpilot, Facebook, Google, Autotrader and our own website. Our team has more than 30 years importing experience and thousands of delighted customers.

Exporting worldwide to 25 countries including: Kenya, UK, New Zealand, Zimbabwe, Fiji, Mauritius, Malaysia, Singapore, Thailand, Uganda, Zambia, Trinidad and Tobago, St Lucia, Mozambique, Tanzania, Ireland, Cyprus, Malta, Jamaica, Cayman Islands, and Botswana.
