The Astra Vein Treatment Center in Brooklyn is the foremost center for New Yorkers seeking expert diagnoses and treatment for vein abnormalities, from varicose veins to deep vein thrombosis. The vein treatment center was founded by Dr. George Bolotin, an accomplished Interventional Radiologist who brings extensive education, training and experience to his practice. Alongside Astra Fibroid Treatment Specialists, Dr. Bolotin and his team of vascular specialists accept most insurance coverage, making the Brooklyn-based practice ideal for all your vein and fibroid conditions.

Fibroid and Vein treatments:
Endovenous laser treatment
Endovenous radiofrequency ablation
Sclerotherapy for varicose veins
Ambulatory phlebotomy
Uterine fibroid embolization
Hormone treatments
Fibroid removal
and more.
