Established in 2011, Nerd Alert has helped thousands of people with their Technology needs. We provide personalized tech help for computer setup or repairs, wireless networking, home network set-up and more. We come to your doorstep, providing trusted expertise at the most affordable rates. Our Nerds are not only trained to diagnose and fix issues, but they will also take the time to explain why and how things happen so that you can feel confident using your technology. Call us at 561-300-6763 for any query or to schedule an appointment!
