Aveta Marketing provides a range of digital marketing services for Senior Living Centers, Assisted Living Centers, and Memory Care centers. We offer website design and optimization, SEO Services (including Local SEO), Pay-Per-Click Advertising Management, content creation for blogs and social media posts, email marketing management. Our goal is to help our clients generate qualified leads from their online presence so they can focus on providing the best possible care to residents. We're different because we only work with Senior Housing facilities, and we only work with one facility in one area. This means we don't do marketing for your competitors. We believe that our Seniors will get better care with senior living centers thrive.
