EziFunerals is Australia’s largest funeral marketplace that supports individuals and families cope with end-of-life care, death and funerals. Founded by consumers frustrated by how difficult it was to get independent information and compare funeral homes, eziFunerals connects clients with funeral directors making it easier to organise a funeral and select the right funeral director anywhere, anytime. As an independent eFuneral company we supplement the important service provided by Funeral Directors and service providers. eziFunerals is dedicated to finding the right business solutions that specifically target the needs of the new funeral consumer and businesses in the funeral industry. If you would like to learn more about partnering with eziFunerals, please contact us for more information.
