Moonlight Dental Surgery has forward-thinking approach to dentistry and invest in the best and latest technologies, so they can offer our patients the highest level of care. Relax in one of our comfy chairs in the waiting room before your appointment and feel right at home in our welcoming practice.

Moonlight Dental Surgery in Slough has experienced dentists in Slough that provide treatments, like dental implants, teeth whitening and facial aesthetics, training other dentists and dental professionals in the system.

Moonlight Dental Surgery emphasis on supporting nervous patients and our philosophy is to change people’s perceptions of the dentist – it can actually be a very pleasant environment to be in! Moonlight Dental Surgery is a homely practice with no signs of the clinical ambiance associated with dental practices of the past. The practice is a central location in the community, and we love getting to know our patients and tending to their dental needs, whether it be restorative, general, cosmetic or orthodontic. We also offer facial aesthetics treatment.

Moonlight Dental Surgery practice has ground level, wheelchair access, onsite parking and an onsite pharmacy.
