Aussizz Group – Migration Agents and Education Consultants, came into existence in 2009, with the mission to facilitate the needs of students and professionals.

It has walked the extra mile in visa consultancy and is a reliable name for those who want to study, work and settle in Australia.

Led by Registered Migration Agents, our overseas education consultants, student visa, and immigration consultants in Ahmedabad ensure clients benefit from Australian visas. These include Australian student visa, visitor visa, parent visa, partner visa, General Skilled Migration visas, and Permanent Residency. They also offer IELTS & PTE coaching advice and help them understand immigration laws and practices.
