Bates Air and Heat is a veteran owned and operated, full-service HVAC company serving Vero Beach and surrounding areas, including Sebastian, Indian River Shores, Ft Pierce and Port St. Lucie and Martin Counties. We are proud to offer commercial, light refrigeration, and residential HVAC services for all of your heating and air conditioning needs. Whether you're looking for emergency AC repair, AC system installations, or routine maintenance, it's time to call Bates Air & Heat. We always take the time for you - with professional courtesy, skilled technicians, and a job done right the first time, you can't go wrong with us! Call us anytime so we can ensure that you're getting the right heating and cooling services for your home or business.
