SpouseBusters are Highly Trained and Qualified Professionals who can confirm your suspicions or achieve you peace of mind. If your partner is cheating WE WILL catch them and provide you with evidence of their infidelity. In some of the cases that we work on the partner is not cheating. But why worry? We are able to set your mind at ease with minimal cost and fuss. SpouseBusters have an Elite team of over 160 hand-picked Private Investigators located right across the country with various backgrounds including Police, Military & Civilian Roles.

SpouseBusters Private Investigators have personally conducted training for the NSW Police Unit and many other law enforcement departments in advanced surveillance techniques. Our skills and services are highly sought after but we believe that they are best used busting spouses. We offer accurate and affordable investigative services. We also provide the following additional services:

Mobile Phone Monitoring Software
Other Spy Products such as GPS Trackers and Listening Bugs and Hidden Cameras
Background Checks
Phone Number Info Searches
Counter Surveillance/ Bug Sweeping
