Elite Electrical and Pumps Pty Ltd is a local family run business, operating in Perth, Mandurah, and the South-West. We pride ourselves in the industry knowing we have professionally qualified tradesmen with a wide range of electrical and pump experience.
Sam and Allie along with their family have a vision to run a business focused on a high level of quality and is also a service which is worth coming back for and recommending to others.
Through this vision, at Elite we have seen extremely healthy growth, receiving an amazing amount of positive client feedback and won many awards for our hard efforts. We are proud to be recipients of the Western Australian Apprentice of the Year as well as Excellent Business Training and Professional Excellence award.
Elite Electrical and Pumps are fully accredited members of NECA Australia, this ensures we provide the highest level of workmanship and electrical safety.
