Welcome to Dr Naveed Patel, an Aesthetic & Implant **Dentist in Stockport**.

The reputation he has developed for easing anxiety and making patients feel extremely comfortable and calm has resulted in happy patients and beautiful smiles nationwide.

To provide the highest standards in quality, Dr Naveed has racked up an impressive array of postgraduate training in the fields of aesthetics, reconstructive and implant dentistry. He offers Smile Makeovers with both porcelain veneers and composite bonding, digital smile design, full mouth reconstructions, dental implant surgery and is a certified platinum provider of Invisalign in Stockport.

He has often been shortlisted and won awards for his high level of aesthetic dentistry and recognised as one of the UK’s best young private dentists.

Naveed is currently studying his Master of Clinical Dentistry in Prosthodontics (MClinDent Pros) at Kings College in London. This allows him to bring the highest standards and the latest evidence-based technology to his patients.

Apart from Dentistry, Dr Naveed enjoys spending time with his family, loves to travel and experience different cultures. He also enjoys the gym and loves all sports.
