Scott's Seamless Gutters is a local family-owned gutter company that specializes in installing the highest-quality 5" and 6" seamless gutters, copper gutters, and downspout systems at reasonable prices. We have been serving Lafayette and its surroundings for more than 30 years. We use the heaviest aluminium to ensure that water is effectively and safely removed from your house. We offer 30 colours to match your house and a 50-year materials warranty. Contact us for a free estimate and more information.
