Company logo

Velocity Automotive is a team of enthusiastic automotive recon and vehicle selling solutions professionals who are dedicated to helping dealers transform how they engage with their customers and their business. We deliver evolving recon software solutions that provide digital vehicle presentations and transform how dealerships share information with their customers.

We connect vehicle recon to retail, accelerating customer engagement and workflow.

Velocity Automotive is a next-generation inventory or vehicle merchandising solution. It creates transparency with the dealership and customer throughout the car buying process.

Here are the products that connect recon to retail:

- OEM Window Stickers
- Velocity Engage - digital vehicle presentations
- Velocity Recon
