Cali Botanicals was established in 2013, having its head office in Rancho Cordova, CA. The mission behind introducing this brand was to provide every enthusiast with 100% organic Kratom sourced from native Indonesian farms. The inventory consists of a wide variety of products, including Kratom powder, capsules, extracts, and blends. If you're unsure which product to choose, try purchasing a starter pack consisting of small amounts of multiple strains.

Don't worry about the Kratom quality, as every single item is carefully lab-tested for safety and consistency. The best thing about this seller is that it has maintained affordable prices without compromising the quality. While making a purchase, you can pay through Zelle, Money Order, Bitcoin, or eCheck Direct Pay.

Cali Botanicals also offers UPS cash on delivery services for orders worth more than $100. The top discounted deals are: (1) The latest hot deal offers 20% OFF on Netflix Red Kratom Powder. Use the code "NFLX20" when checking out. (2) Subscribe to the newsletter and get 15% OFF. (3) 10% OFF on the entire order if you use Zelle to pay for your order. (4) A special discount of 20% upon paying through BitCoin.

The seller uses USPS Priority Mail or USPS Express Mail to ship the orders to your doorstep. You can conveniently track your order (once shipped) by entering your order ID and billing email. Don't be concerned if you are unhappy with what you've received because a satisfaction guarantee backs every purchase. For a successful 100% refund, you can contact the customer support staff via email (admin@calibotanicals.com) within 20 days of making your purchase. Ensure you have provided your name, products you want to return, and order number.
