Company logo

Tankar company is a leader in the Ayurvedic herbal products industry, with a wide range of products and services.

Tankar company was founded in 1934 and has been steadily growing over the years. It now offers Ayurvedic products for various purposes like health, beauty, wellness, and home care. The company is committed to delivering the best of Ayurveda to society.

Tankar Ghrit Kumari Hair Oil is our company's most popular product. Our customers love how it keeps their hair healthy and shiny. They also like the way it smells, and how easy it is to use.
