For over 20 years. Rainforest Heating & Air has been a trusted home services institution in the greater Phoenix area. Our plumbing and HVAC services are backed by a fully licensed and insured team of highly trained professionals who will go above and beyond to get the job done for you. We believe strongly in transparency, affordability, and fairness, which is why we offer our up-front guarantee on every service. This means the price we quote you is the price you get—no hidden fees, no last-minute surcharges, no tricks of any kind. And with 72 employees, 43 technicians, and 50 service trucks at our disposal, you can bet Rainforest Plumbing & Air has what it takes to get to your property ASAP.
