Anele De Novo is proud to be the highest rated **dentist in Margate** and Herne Bay, Kent. At Anele de Novo dental practice, we welcome NHS and private patients for routine and emergency appointments. We are proud of the high-quality dentistry we offer the whole family and always ensure our patients are supported through their entire treatment journey.

We offer complete dental solutions in all areas, including preventative, restorative, general and cosmetic dentistry. Our personalised approach towards patients helps us provide excellent treatments in a caring and comfortable environment.

At Anele De Novo, a range of treatments include dental hygiene, fillings, bonding, whitening, **dentures treatment**, implants, crowns, Invisalign and Botox in Herne Bay, Kent.

Our high patient satisfaction rating is a true reflection of our dedication to providing our patients with a positive experience. Caring for their dental health is our number one priority, but we are also passionate about creating beautiful smiles. We love bringing confidence back to our patients' lives and seeing them smile with joy.

Any patients experiencing increasing pain or discomfort are treated on the same day at our emergency dental care in Margate and Herne Bay.
