Faversham Smiles is one of the highest-rated private and NHS dentist in Canterbury and Faversham, Kent. We understand that keeping on top of their dental health is necessary to our patients is something we’re passionate and proud about too. Our supporting team and general & cosmetic dentists combine a modern approach to dentistry with the best treatments. We are delighted to welcome all new patients to our practice.

Providing preventative dental care to our patients with long term oral health benefits is paramount. We offer a comprehensive range of general dentistry, cosmetic dentistry, orthodontics and facial aesthetics treatments like Fillers and Botox. We aim to ensure all patients receive the very best advice, choices and solutions for their needs.

Faversham Smiles is a warm and friendly dental practice to visit, so if you would like to join our family and enjoy a healthy smile, then please call us or visit our New Patients page for more information.
