Sutton Aesthetics Dentistry is a bespoke and private dentist in Sutton Coldfield devoted to offer the best quality treatments at affordable prices.

We tailor our dental treatments to suit you and our talented team is dedicated to making sure you always feel welcome and well-looked after.

We offer high-quality preventative and general dental care to the whole family, as well as smile-enhancing cosmetic procedures. We have three experienced hygienists who work alongside our skilled dentists to help maintain your oral health, and our broad range of treatments includes teeth whitening, adult-friendly straightening and dental implants.

As an added bonus, you won’t have to wait weeks to see us – we ensure routine appointments are readily available and emergency cases are seen immediately by our emergency dentist.

We have a 0% finance option help you budget for your dental care. For more information, please call us today.
