Since 1986 Kuhn Construction has been a reputable provider of kitchen and bathroom renovations, home additions and whole-house remodels. We are committed to offering the highest quality of work and service to our clients, while maintaining efficiency, honesty, dependability, and consistency. We have built an unrivaled reputation in Suffolk and Nassau Counties for customer satisfaction, outstanding craftsmanship, and on-time project completion.

Over the years Kuhn Construction has specialized in amazing design and build services that can transform any space into a beautiful haven. We take on projects of any size or scale since we are a full-service home renovation company. Our skilled professionals are all certified, bonded, and insured, and can be counted on to work quickly and attentively. From design to construction and finish, we collaborate closely with our clients throughout the renovation process to ensure that their demands are fulfilled at every stage.
