Company logo

With bathroom and kitchen renovation, and contracting services in Holland and around southwest Michigan, Nelson Builders has been transforming client ideas into fabulous living spaces since 2001. Josh Nelson, the company's founder and fifth-generation carpenter, leads a team of skilled craftspeople committed to customer satisfaction and high-quality work. Nelson Builders will work hard to meet your bathroom and kitchen remodeling and renovation objectives.

Nelson Builders provides all things home remodeling and renovation. We can help you with everything from kitchen and bathroom remodeling to basement finishing, home expansions, and even complete house renovations in the greater Holland area. We've been creating stunning custom homes in Michigan, always utilising high-quality materials and innovative ideas. To make your dream home and kitchen a reality, contact us now!
