We are Planet Media, a dynamic digital marketing agency based in Canberra and Melbourne, Australia. Ever since launching over 10 years ago, we have been committed to supporting businesses grow in their digital transformation journeys.

Our team at Planet Media team believes that the right research-based strategies can bring success to any business. That’s why we use a data-driven approach to find the most efficient ways to help your business become bigger and better. We want to use our passion for the digital world to help our clients find new ways to grow.

From conceptualisation to success, we will partner with you to bring your dreams into reality, no matter how big or small. We are keen learners, prepared to take on projects of any scale. In fact, we like a challenge. Think you’ve got one for us? Don’t hesitate to get in touch.
