Future Leaders In Progress (F.L.I.P.) is a NDIS registered provider and a youth mentoring service. We partner with the NDIS and youth organisations, helping to guide people through their unique maze of life.We empower our clients by teaching them the life tools to SHIFT their MINDSET and achieve their goals to meet their own unique potential.The main reason FLIP is in business is to empower people, families and communities.

FLIP’s dedicated and passionate team work with our clients through the maze of life. We help our clients to unlock their full potential to develop life skills and tools to become the future leaders they are. Through ongoing partnership, we nurture growth and development through industry and NDIS and Youth approved practices.
